

Update 3.5.0186

## **Attendance > Maintenance > Campus > Next Year Copy Calendar**

- Modified the program to no longer require you to press the ENTER key when adding a new track. Now, the new attendance track is automatically added to the grid after you click **+Add** and type the two-digit track. Previously, a browser error occurred upon pressing the ENTER key.

## **Registration > Maintenance > Online Registration > Pending Updates**

- Corrected the pending update errors that occurred when trying to accept and save records.

## **Scheduling > Maintenance > Live Scheduling Load**

- Modified the Run Schedule Load functionality to reduce processing time and table locks.

# **ASCENDER ParentPortal**

Update 4.2.X.X

## **Administrator**

### **Form Group Management > New Student Enrollment**

### **Form Group Management > Returning Student Registration**

- Updated the wording of the Food Allergy Disclosure form under Standard Forms:

- Previous wording: "The nurse will contact you for a note from your physician if your child has food allergies."
- Updated wording: "The parent will provide a doctor's note, notify the school nurse, and food & nutrition if your child has an anaphylactic food allergy that requires an EpiPen."

## Form Group Management> Returning Student Registration

- Updated the program to properly show static forms in Returning Student Enrollment and Student Data Maintenance.

## Parent

**My Account > Enroll a New Student > Step 3 > Add Address**

**My Account > Enroll a New Student > Step 4 > Student Information**

- Updated the program to properly make some required fields that were allowing the forms to be submitted required.

## ASCENDER StudentPortal

Update 4.2.X.X

### Create Account

- Updated the password rules to coincide with the rules established in ASCENDER ParentPortal.
- Updated the order of information on the Create Account screen to be **Student ID, Birth Date**, and **Social Security Number**.

### Login

- Created the Create Account, Reset Password, and Recover User Name processes. See the [StudentPortal Login Help](#) page for more information.

### Reset Password

- Updated the program to properly allow up to 25 alphanumeric characters in the **User Name** field.
