Update 3.5.XXXX

Login

Corrected the issue that prevented some users from recovering their user name or resetting their password. These users received the following error message: "One or more of the following fields failed to match a user record or the user record is not active."

Attendance > Reports > Attendance Reports > All > SAT0900 - Campus/District Summary Report

Attendance > Reports > Attendance Reports > All > SAT0920 - Campus/District Multi-Track Summary Report

Attendance > Reports > Attendance Reports > All > SAT0950 - District Attendance and Contact Hours

Modified the program so that the following rows on the reports calculate properly (the same way as the same rows from the TEA TSDS PEIMS PDM3-130-001 report):

- **H1 Early Ed Eco Dis Elig Days**
- **H2 Early Ed Lang Elig Days**
- **H3 Early Ed Eco Dis & Lang Elig Days**

Registration > Maintenance > Student Enrollment

Corrected the program to prevent the following error from occurring when saving a change on a tab other than the At Risk tab for a current year student without an at-risk record: "SQL Anywhere Error -193: Primary Key for table SR_STU_AT_RISK is not unique."

Update 4.2.X.X

Reset Password

Corrected the **User Name** field to accept the allowable 25 characters. Previously, a teacher could

not perform a password reset because her user name was more than 8 characters.

Campus

Corrected the issue that prevented teachers who teach at multiple campuses from switching views between assigned campuses.

Grades > Assignment Grades

Corrected the issue that prevented the assigned category colors (Settings > Manage Categories) from being displayed.

Corrected the issue that prevented you from re-entering a new grade after you previously entered and deleted the grade.

Corrected the issue that prevented the **Print Comments** check box selection from being saved.

Corrected the program to italicize the lowest grade(s) according to the number of dropped grades indicated under **Selected Categories**.

Corrected the issue that prevented the program from responding when manually entering a grade in the Transfer Walk-In Average pop-up window.

Corrected the error that occurred when trying to use the Transfer Walk-In Average feature for students who did not transfer into a class.

Reports > Cycle Grade Range

Corrected the program to allow a maximum grade of 100. Previously, an error occurred.

Settings > Manage Categories

(**Help only change**) Changed information in the **Category Names** description. Previously, it read "Category names are not case-sensitive (e.g., if "quiz" already appears in the list, you can add "Quiz")." Now, it reads, "Category names are case-insensitive (e.g., if "quiz" already appears in the list, you cannot add "Quiz")."

Settings > Manage Categories

Corrected the program to accurately delete the selected categories, and allow multiple selected categories to be deleted at the same time.

Settings > Arrange Student Order

Corrected the functionality to shift the order of the student positions up or down in the list instead of swapping them.
