# ASCENDER/TxEIS

Update 3.5.XXXX

**Attendance > Reports > Attendance Reports > All > SAT0900 - Campus/District Summary Report**
**Attendance > Reports > Attendance Reports > All > SAT0920 - Campus/District Multi-Track Summary Report**
**Attendance > Reports > Attendance Reports > All > SAT0950 - District Attendance and Contact Hours**

❏ Modified the program so that the following rows on the reports calculate properly (the same way as the same rows from the TEA TSDS PEIMS PDM3-130-001 report):

- **H1 Early Ed Eco Dis Elig Days**
- **H2 Early Ed Lang Elig Days**
- **H3 Early Ed Eco Dis & Lang Elig Days**

**Registration > Maintenance > Student Enrollment**

❏ Corrected the program to prevent the following error from occurring when saving a change on a tab other than the At Risk tab for a current year student without an at-risk record: "SQL Anywhere Error -193: Primary Key for table SR_STU_AT_RISK is not unique."

# ASCENDER ParentPortal

**Form Management > Custom Forms > View Custom Form Data**

Corrected the issue that prevented custom form columns from being generated on various forms.

# ASCENDER TeacherPortal

Update 4.2.X.X

## Login

❑ Corrected the issue that prevented some users from recovering their user name or resetting their password. These users received the following error message: "One or more of the following fields failed to match a user record or the user record is not active."

## Reset Password

❑ Corrected the **User Name** field to accept the allowable 25 characters. Previously, a teacher could not perform a password reset because her user name was more than 8 characters.

## Campus

❑ Corrected the issue that prevented teachers who teach at multiple campuses from switching views between assigned campuses.

## Grades > Assignment Grades

❑ Corrected the issue that prevented the assigned category colors (Settings > Manage Categories) from being displayed.

❑ Corrected the issue that prevented you from re-entering a new grade after you previously entered and deleted the grade.

❑ Corrected the issue that prevented the **Print Comments** check box selection from being saved.

❑ Corrected the program to italicize the lowest grade(s) according to the number of dropped grades indicated under **Selected Categories**.

❑ Corrected the issue that prevented the program from responding when manually entering a grade in the Transfer Walk-In Average pop-up window.

❑ Corrected the error that occurred when trying to use the Transfer Walk-In Average feature for students who did not transfer into a class.

## Reports > Cycle Grade Range

❏ Corrected the program to allow a maximum grade of 100. Previously, an error occurred.

## Settings > Manage Categories

❏ (**Help only change**) Changed information in the **Category Names** description. Previously, it read "Category names are not case-sensitive (e.g., if "quiz" already appears in the list, you can add "Quiz")." Now, it reads, "Category names are case-insensitive (e.g., if "quiz" already appears in the list, you cannot add "Quiz")."

## Settings > Manage Categories

❏ Corrected the program to accurately delete the selected categories, and allow multiple selected categories to be deleted at the same time.

## Settings > Arrange Student Order

❏ Corrected the functionality to shift the order of the student positions up or down in the list instead of swapping them.
