ASCENDER ParentPortal

Release Date: TxEIS/ASCENDER Update: 3.5.XXXX

Attendance > Post/View Attendance

☐ Added a scroll bar to the **Period** drop down allowing you to scroll up and down to view a list of all class periods.

Summary

☐ Corrected the issue that caused duplicate course records with various grades and attendance codes on Interim Progress Reports (IPRs).

Once update 3.5.0207 is installed, clients will need to rerun the Grade Reporting > Utilities > ParentPortal Interim Progress Report in TxEIS in order to clear the duplicates.
