ASCENDER ParentPortal

Release Date: **TxEIS/ASCENDER Update**: 3.5.*XXXX*

Attendance > Post/View Attendance

❏ Added a scroll bar to the **Period** drop down allowing you to scroll up and down to view a list of all class periods.

Summary

❏ Corrected the issue that caused duplicate course records with various grades and attendance codes on Interim Progress Reports (IPRs).

⚠️ Once update 3.5.0207 is installed, clients will need to rerun the Grade Reporting > Utilities > ParentPortal Interim Progress Report in TxEIS in order to clear the duplicates.
