ASCENDER ParentPortal

Release Date: **TxEIS/ASCENDER Update**: 3.5.XXXX

ASCENDER ParentPortal

Release Date: **TxEIS/ASCENDER**: **ParentPortal Update**:

Summary

❑ Corrected the issue that caused duplicate course records with various grades and attendance codes on Interim Progress Reports (IPRs).

⚠️ Once update 3.5.0207 is installed, clients will need to rerun the Grade Reporting > Utilities > ParentPortal Interim Progress Report in TxEIS in order to clear the duplicates.

ASCENDER TeacherPortal

Release Date: **TxEIS/ASCENDER Update**: **TeacherPortal Update**:

Attendance > Post/View Attendance

❑ Added a scroll bar to the **Period** drop down allowing you to scroll up and down to view a list of all class periods.

Grades > Assignment Grades

❏ Corrected the error that occurred when you clicked the **Show Averages as Alpha** check box.

❏ Modified the program to retain the **Show Averages as Alpha** check box selection and functionality after clicking the **Save** or **Calculate** button.

❏ Corrected the program to properly save the **Exclude** check box selection in the Grade Properties pop-up window.

Grades > Cycle Grades

❏ Corrected the issue that prevented the arrow keys and Enter key from properly navigating to/from certain table values.
