Release Date: 1/x/2021 **TxEIS/ASCENDER Update:** 3.5.xxxx **TeacherPortal Update:** 4.0.xx.x

Grades > Assignment Grades

Modified the program to display students for a cycle based on the student course enrollment for the cycle.

The program will:

- Display a withdrawn student as active for the cycle if the student did not withdraw from the course until after the cycle ended.
- Not display a student in a cycle if the student was not enrolled in the course during that cycle (did not enter the course until after that cycle ended).
