

ASCENDER®
ELEVATING TECHNOLOGY SOLUTIONS

ASCENDER ParentPortal

Release Date: xx/xx/20 **TxEIS/ASCENDER Update:** 3.5.xxxx

Discipline > Maintenance > Student > Maintenance

☐ **(Mandated Change)** Update the Discipline edits on the Maintenance tab to comply with the 2021 PEIMS Discipline Standards for the 44425 - Student Discipline Interchange.

☐ **(Mandated Change)** Modified the program to add the **Inconsistent** field to the Action section. This checkbox can only be selected for action codes 01-05, 07-12, 15, 25, 50-53, 55-59, or 61.

Grade Reporting > Utilities > Grade Posting from TxELS txGradebook

☐ Corrected the column alignment for a generated CSV file when running reports for **View Fail List** and **View Error List** and changed the column header from **Grdbk Grd** to **Teacher Portal Grd**.

Graduation Plan > Maintenance > District > Tables

☐ Modified the Credentials or Certification tab so that when a PEIMS code is selected but the fields for the **IBC Exam Fee** field and/or **IBC Vendor** field are left blank on a page that is not selected, a warning is given for that page after successfully saving changes to the selected page.

Note: This was released in 3.5.0217 (11/17/20).

Health > Reports > Health Reports > Immunizations

☐ **(Mandated Change)** Modified the layout of SHS0110 - Annual Immunization Status Report (DSHS). Line items **2g** and **2h** have been swapped in the *Kindergarten* section and line items **3g** and **3h** have been swapped in the *7th Grade* section.

Registration > Maintenance > Campus Profile > Campus Information Maintenance

☐ Modified the program to add the **Additional Days Program** field to Control Info. This field indicates whether the campus offers an Additional Days Program to students in PK - 5.

Registration > Maintenance > Student Enrollment

- ❑ **(Mandated Change)** Modified the program to add **Truancy Indicators** to the Demo3 tab.

The screenshot shows the 'Student Enrollment' form in the 'Demo3' tab. The 'Truancy Indicators' section is highlighted with a red circle. It contains the following fields:

- Excessive Unexcused Absence: ☐
- Truancy Prevention Measure: ☐
- Truancy Complaint Filed: ☐

- ❑ Modified the program so that Static Forms that are created on ParentPortal > Form Management > Form Creator and are associated with a particular campus should display on the Forms tab.

Registration > Reports > Registration Reports > Student

- ❑ Modified the program for the **SRG4000 - Charter School Waitlist Roster Report** to limit characters on the report for first and last name. Last Name allows for 25 characters and First Name allows for 17 characters.

ASCENDER ParentPortal

Release Date: xx/xx/20 **TxEIS/ASCENDER:** 3.5.xxxx **Update:** x.x.x.xxx

Summary > Report Card

☐ Modified the program so that the header on report cards displays **Elementary Report Card** and not **Skills Based Report Card** when a district does not use Skills Based Report Cards.

Alerts

☐ Corrected the issue of parents receiving alerts when an instructor adds an assignment grade even though the grade does not meet criteria for the alert.

NOTE: When you turn the alerts back on, past alerts that are less than a month old will be sent.

ASCENDER StudentPortal

Release Date: xx/xx/20 **TxEIS/ASCENDER:** 3.5.xxxx **Update:** xxx

Login

☐ Modified the program to add the following message on the login screen when an account gets locked: **Account locked due to too many login attempts. Account will automatically be unlocked after 50 minutes.**

ASCENDER TeacherPortal

Release Date: xx/xx/20 **TxEIS/ASCENDER Update:** 3.5.xxxx **TeacherPortal Update:** 4.0.x.xxx

Attendance > Attendance Rosters

☐ Corrected the program so that when generating attendance rosters class periods do not display or print twice.

☐ Corrected the program so that when **Allow Grade Modification to Prior Cycle** is not selected on TxEIS > Grade Reporting > Maintenance > Gradebook Options > Campus > Options tab, grades cannot be changed on Grades > Assignment Grades.

☐ Corrected the following on the Transfer Walk-In Average pop-up:

- Changed *Due Date* to *Date*
- When the ellipsis is selected, the Calendar and Key display correctly

☐ Corrected the program where **Cycle Average**, **Working Semester Average** and **Working Final Grade** correctly averaged when **Calculate Semester Averages** is selected but are not saved when a user enters a pin and saves.

☐ Corrected the program in the **Override** column under **Semester Grades** so that certain keys on a keyboard follow standard keyboard navigation.

- When Enter is pressed, the field of focus moves down one row.
- When the up arrow is pressed, the field of focus moves up one row.
- When the down arrow is pressed, the field focus moves down one row.

Grades > Elementary Report Cards Grades > Assignment Grades

☐ Corrected the program so that some instructors are now able to successfully enter grades and skills and print report cards for certain courses for Skills Based Report Cards.

Reports > Seating Charts

☐ Corrected the following in the program when generating the seating chart report:

- Student photos now print when **Show Pictures** is selected
 - Girl/Boy color coding prints
-

Settings > Update Profile > Combine Courses in Attendance

☐ Corrected the program to properly generate and print the most current version of the seating chart for ungrouped courses.

Settings > Manage Assignments

☐ Corrected the program so that when classes are grouped and a new assignment is entered, an error message will not be received when a PIN is entered and saved.

Admin > Elementary Report Cards > Manage Elementary Skills-Based Report Cards

☐ Modified the program to correct how cycle numbers display for each skillset when **Use Quarterly Display** is checked/unchecked on Admin - Set Up Elementary Skills-Based Report Cards - Step 1.

Admin > Elementary Report Cards > Elementary Skills-Based Courses

☐ Corrected the program so that Report Card Type is still displayed for course numbers previously set when a new type is selected for another course and saved.
