ASCENDER TeacherPortal

Release Date: 1/15/2021 **TxEIS/ASCENDER Update**: 3.5.0226

Registration > Utilities > ID Change

❏ Corrected an issue when merging student IDs to prevent the user from receiving an error message when there are student records for both the **Current Student ID** and **New/Hist Student ID** in the same school year.

Registration > Reports > Registration Reports > All > SRG3014 State Performance Plan 14 Information

❏ Corrected an issue when running the report where an error message was received if **Campus ID (Blank for All)** was left blank. Leaving the **Campus ID (Blank for All)** field unpopulated should allow the user to run the report for all campuses.

ASCENDER TeacherPortal

Release Date: 1/15/2021 **TxEIS/ASCENDER Update**: 3.5.0226 **TeacherPortal Update**: 4.0.xx.xx

Grades > Print IPR

❏ Corrected an issue when trying to run interim progress reports where an error is received when an administrator switches between instructors.

Reports > Attendance Verification

❏ Corrected the program to properly display all course periods with the correct course number in the **Course-Section** drop-down menu and to accurately generate the report with the correct students and period number.

Settings > Manage Categories

❏ Corrected the program so that when colors are designated for a category on *Settings > Manage Categories*, they automatically display correctly on *Grades > Cycle Grades* and *Grades > Assignment Grades*. Additionally, newly added assignments with no date will display at the end of the column list.

❏ Corrected an issue where some districts received an error message, *Percent weights must add up to 100%*, even when the **% Weight** equals 100%.

NOTE: Do not create/save Categories with **Weighting Type** *Point* or *Multiplier* when related Categories were previously created/saved with **Weighting Type** *Percentage*.

Settings > Manage Categories

❏ Corrected the program where the **Weighting Type** category is switching from **Percentage** to **Points** and vice versa after assignments have been created for each category and saved.
