Reports > Assignment Grades

❏ Corrected the Assignment Grades Report so it runs correctly for course sections that have more than 15 assignments for the semester and cycle, and correctly processes dropped grades from *Grades > Assignment Grades*.

Dropped grades will be included and calculated into the **Class Average** but *Excluded grades* will not be included.

Settings > Manage Categories

❏ Corrected the program where the **Weighting Type** category is switching from **Percentage** to **Points** and vice versa after assignments have been created for each category and saved.
