ASCENDER StudentPortal

ASCENDER TeacherPortal

Release Date: 1/22/21 **TxEIS/ASCENDER Update**: 3.5.XXXX **TeacherPortal Update**: 4.0.XX.XXXX

❏ Modified the program to add the application server IP address to the bottom right corner of application pages after the copyright notice. The user must be logged in to see the server IP.

Grades > Elementary Report Cards > Elementary Numbers Skills
Grades > Elementary Report Cards > Elementary Word Skills

❏ Corrected an issue when instructors selected skills for a student and saved then selected skills and saved for the next student in the drop-down list, the program was saving the previous student's selected skills onto the currently retrieved student's page.

❏ Corrected the program to validate **Incident Time** correctly. Valid incident time is HH:MM:SS AM/PM.
