**Release Date:** 2/26/21 **TxEIS Update:** 3.5.231 **ParentPortal Update:** 5.0.0.12

Modified the program to correct the following for new student enrollment and returning student enrollment:

- An error in Form Uploads when clicking on **Document** where users were able to upload more than one document.
- The '+' and '-' icon functionality to indicate the availability of documents.

Documents are being uploaded in ParentPortal but are not seen in other portals.

Modified the program to correct an issue when uploading documents for the New Student Enrollment or Returning Student Enrollment processes. The uploaded documents are displayed when accepting and enrolling a student but not when the student is retrieved in Registration > Maintenance > Student Enrollment.
