Release Date: X/XX/21 **ASCENDER Update:** 5.0.0200 **TxEIS Update:** 3.5.XXX **ParentPortal Update:** x.x.xxx

ASCENDER ParentPortal

Charter Student Admission Application

☐ Modified the Charter School Admission Application with the following changes:

- Added **Application Date** in English and Spanish.
- Added the Spanish translation for the certification *characters displayed* text and **Submit** button.

Attendance

- ☐ Corrected an issue where some students are showing duplicate absences when the student has a fractured schedule and does not meet Monday through Friday.

ASCENDER TeacherPortal

Release Date: X/XX/21 **ASCENDER Update:** 5.0.0200 **TxEIS Update:** 3.5.XXX **TeacherPortal Update:** x.x.xxx

Attendance > Post/View Attendance

- ☐ Corrected an issue in the **Class Schedule** section on the Schedule tab where the program was incorrectly displaying a teacher's name as last name, middle name, first name. The correct order is last name, first name, middle name.
- ☐ Corrected an issue where the attendance note entered in *TxEIS > Attendance > Maintenance > Student > Student Posting with Comments > By Period* did not appear in *TeacherPortal > Attendance > Post/View Attendance*.
- ☐ Corrected an issue where some students are showing duplicate absences in the **Attendance** section of the Student Information page when the student has a fractured schedule and does not meet Monday through Friday.

Attendance > Post/View Attendance Grades > Assignment Grades

- ☐ Modified the program in the **Student Information** section to display all active generic programs assigned to a student if **Generic** is selected in the Display Program Information section on *Grade*

Reporting > Maintenance > Gradebook Options > Campus.

Reports > Admin Reports > Assignment Grades Last Updated

☐ Corrected an issue when changing the **Campus** setting from one campus to another campus, the **Semester** and **Cycle** fields are disabled and the report no longer works. Users will be able to run this report and select different campus semesters or cycles.

Reports > Seating Charts

☐ Modified the program so that the **Unassigned Students** list on Settings > Manage Seating Charts appear on the **Students with no assigned seat** table.

Settings > Manage Assignments

☐ Corrected an issue when selecting *Copy Assignments to Another Course-Section-Cycle* where checkboxes under **Copy To Course-Section** were disabled while trying to copy assignments. All boxes will be available to select if the course is not a grouped course within the current semester.
