ASCENDER

ASCENDER

Release Date: 5/11/21 **ASCENDER Update**: 5.0.0207

❏ Updated the following applications' log out screen with the message **You have successfully exited the application and may close the browser tab.**

- Attendance
- Discipline
- Grade Reporting
- Graduation Plan
- Health
- OCR
- Registration
- Scheduling
- Special Education
- State Reporting
- Test Scores

Attendance > Maintenance > Campus > Campus Calendar

❏ Modified the program with the following:

- Added **School Day Event** link for clients to designate a school day as Event 03 or 04
- Added a sub-report for Additional Days School Year and column for **Sch Day Event** to the existing Calendar Minutes Verification List sub-report when the **Print** button is selected.

Attendance > Maintenance > Student > Student Posting > By Period

❏ Modified the program so that when a user makes an attendance correction, the entire row being edited will be highlighted.

Attendance > Reports > Attendance Reports > All > SAT1100 District Recap Report

❏ Modified the program to correctly return students who either withdrew after the supplied As-of Date or are still enrolled.

Discipline > Maintenance > Tables > District Level
Discipline > Maintenance > Student > Maintenance

❑ Modified the program with the following:

- On **Discipline > Maintenance > Tables > District Level** deleted Discipline Action Reason codes 0033 and 0034 from SY 2021 as they are no longer valid PEIMS codes.

- On **Discipline > Maintenance > Student > Maintenance** updated student records with Discipline Action Reason codes 0033 and 0034 to 0021, for SY 2021.

Discipline > Maintenance > Student > Maintenance

❑ Modified the program to restore the Victim Information and Restraint Information tabs.

Discipline > Maintenance > Student > Maintenance

❑ Corrected an issue in the program when navigating between **Restraint** and **Victim** buttons that would cause users to get a Program Error message.

Grade Reporting > Maintenance > TeacherPortal Options > District > Administrative Users

❑ Modified the program to enable clients that have usernames with the special character "**.**" to save changes to the District Admin page.

Graduation Plan > Maintenance > District > Tables > Graduation Requirements

❑ Modified the program to enable districts with **app** in their domain to pull up details on the page.

Grade Reporting > Reports > Grade Reporting Reports > Grades > SGR2047 Registration > Utilities > TREx Export

❑ Modified the program to display up to 60 characters for student's first name, middle name, and last name.

First, middle and last name can contain: letters, numbers, apostrophe, and/or hyphen. Per TWEDS, the domain of values are A-Z, a-z, Á-Ú, á-ú, 0-9, ', -, [space].
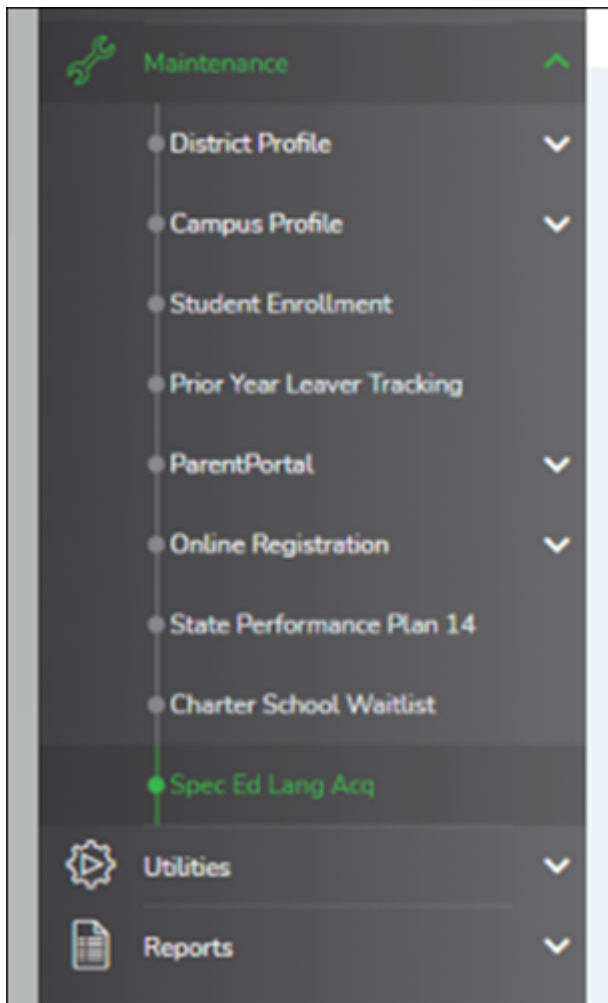

Registration

❑ Modified the program with the following:

- Added <PKeligiblePreviousYear> tagline
- Added Crisis Codes 1A, 1B, or 1C
- Changed CT to CTE in <SubjectArea> tag on *Registration > Utilities > TREx Export*
- Increased the width for some fields within the application when searching the Directory

Registration > Maintenance

❑ Modified the program to create a new menu item for **Spec Ed Lang Acq** to allow users to view and edit Special Education Language Acquisition (SELA) data.

Registration > Utilities > Reset Values

☐ Modified the program to add a field for **Code 2** to allow the user to enter a two-digit track for changing to or adding ADSY programs if the designated ADSY code is selected in the **Generic Program Code** dropdown.

Registration > Utilities > Set Excessive Unexcused Absence Indicator

☐ Modified the program to remove the **As-Of Date(MMDDYYYY)** field and set the **Excessive Unexcused Absence** indicator based on 10 days with at least one period of unexcused absences within any 6 month time period in the school year.

Registration > Reports > Registration Reports > Student

☐ Modified the program so that when SRG0400 - Student Information Sheets is run, and the student is

not At Risk, the At Risk column will appear on the report, but will show **N** for every row.

Scheduling > Maintenance > Master Schedule > Campus > Instructors

❏ Corrected the program to align some boxes and fields on the page.

Test Scores > Utilities > Import Test Scores
Test Scores > Maintenance > Individual Maintenance
Graduation Plan > Maintenance > Student > Individual Maintenance > PGP

❏ Modified the program with the following:

- Added the option to import TSIA2 Assessment scores to Test Scores > Utilities > Import Test Scores
- Added TSIA2 score fields to Test Scores > Maintenance > Individual Maintenance > TSIA screen
- Added new options for TSIA2 to Graduation Plan > Maintenance > Student > Individual Maintenance > PGP tab in the College Readiness drop-down menu

TxEIS

Release Date: 5/11/21 **TxEIS Update**: 3.5.0236

Attendance > Maintenance > Campus > Campus Calendar

❏ Modified the program with the following:

- Added **School Day Event** link for clients to designate a school day as Event 03 or 04
- Added a sub-report for Additional Days School Year and column for **Sch Day Event** to the existing Calendar Minutes Verification List sub-report when the **Print** button is selected.

Attendance > Reports > Attendance Reports > All > SAT1100 District Recap Report

ASCENDER ParentPortal

Release Date: 5/11/21
ASCENDER Update: 5.0.0207 **ASCENDER ParentPortal Update**: 5.0.4.4
TxEIS Update: 3.5.0236 **TxEIS ParentPortal Update**: 4.3.4.4

Registration > Registration Form

❑ Corrected an issue in the program where previous school year uploaded documents are showing up when a user tries to upload documents for the current school year.

ASCENDER TeacherPortal

Release Date: 5/11/21
ASCENDER Update: 5.0.0207 **ASCENDER TeacherPortal Update**: 5.0.4.22
TxEIS Update: 3.5.0236 **TxEIS TeacherPortal Update**: 4.0.22.20

❑ Corrected several pages within the program that had caching issues.

Grades

❑ Modified the program with the following:

Reintroduced column sort on some columns on:
• Assignment Grades

- Cycle Grades
- IPR Comments
- Print IPR

Added sorting by **Skill Set** to Assignment Grades > Skills Based Grades.

Grades > Assignment Grades

❏ Modified the program with the following:

- Added the **Student** field to allow user to filter by student
- Added an Unsaved Data Warning if the user edits a grade then tries to filter by **Student**

❏ Modified the program with the following:

- Added the **Hide/Show Menu** button to the page
- The **Course-Section** column hides and displays when switching from a group to a single course
- Minimized the space between assignment columns and student rows to allow more students to appear on the page

Grades > Cycle Grades

❏ Corrected the program to prevent the **Exam** column from displaying when campus settings on TxEIS > Grade Reporting > Maintenance > Tables > Campus Control Options are unchecked.

The **Exam** column should not display when campus settings are turned off.

❏ Corrected an issue in the program where the semester **Working Average** and **Working Final Grade** are not calculating correctly.

Grades > IPR Comments

❏ Modified the program so the user is now able to sort by **Name** or **Average**.

Grades > Print IPR

❏ Modified the program so the user is now able to sort by **Name** or **Average**.

Settings > Manage Assignments

❑ Updated the program to add an additional **Add new assignment** button, **PIN** field and **Save** button to the bottom of the page below the grid so less scrolling is required.

Settings > Manage Student Groups

❑ Corrected an issue in the program that prevented clients from being able to see **Student Information** and **Class Schedule** when they select the student link on the Edit Student Groups Page.

Admin > Admin - Student Grades

❑ Corrected an issue in the program so all fields correctly populate when a user clicks on the student name to view **Student Information** and **Contact Information** on the student profile page. Additionally, all options on the navigation menu will display data for all campuses.

Admin > Elementary Report Cards > Manage Elementary Skills-Based Report Cards > Step 2

❑ Modified the program to allow the text field in the **Notes** column to auto-expand when the user begins to type.

Admin > Elementary Report Cards > Manage Elementary Skills-Based Report Cards
Admin > Elementary Report Cards > Print Elementary Report Cards for Campus

❑ Modified the program so the **Non-Mailing Report Card** checkbox works correctly.

When the checkbox is not selected on Manage Elementary Skills-Based Report Cards, the students mailing address should display when the user clicks the **Print** button on Print Elementary Report Cards for Campus.

❑ Corrected an issue in the program when printing report cards where page breaks were not occurring when the **Force Page Break After Skills Grid** checkbox is selected on Admin >

Elementary Report Cards > Manage Elementary Skills-Based Report Cards.
