# ASCENDER

**Release Date:** 6/04/21 **ASCENDER Update:** 5.0.0214

## Homepage

Corrected the ascendertx.com link that displays when users do not have access to an application. Previously, clicking the link resulted in an error.

---

## Attendance > Maintenance > Student > Student Posting

Modified the program with the following:

- Renamed the **By Generic Program** tab to **By Local Program**
- Renamed the **Generic Program** field to **Local Program**
- Renamed the pop-up window from **Generic Programs** to **Local Programs**
- Modified the error message from **By Generic Program** to **By Local Program**

Modified the program to reinstate the Change Application function when on a linked Student Maintenance page to display under Attendance in the drop-down list:

- - **Student Posting** under Attendance
  - - **Student Inquiry** for linked Student Maintenance pages
- 

## Attendance > Maintenance > Addtnl Days Program > ADSY Attendance

Modified the program to rename **Generic Program** to **Local Program**.

---

## Attendance > Reports > Attendance Reports > Audit > SAT0900C - Campus/District Summary Report (COVID)

Modified the program to only display line **U** (Percent Attendance) when All is selected for the **Instructional Method**.

---

## Attendance > Reports > Attendance Reports > Student > SAT2300 - Average Daily Attendance

---

Modified the program with the following:

- Renamed the **Generic Program Code** parameter to **Local Program Code**
  - Renamed the pop-up window from **Generic Special Program Codes** to **Local Program Codes**
  - Renamed **Generic Program** to **Local Program** in the report header
  - Renamed **Generic Program** to **Local Program** in the Audit report.
- 

## **Discipline > Reports > Discipline**

Modified the program to add Element 1656, Inconsistent Code Of Conduct Ind Cd for SY2020-2021. It was added to the following Discipline Reports:

- SDS0100 - Discipline - Detailed Incident Report
- SDS1300 - Discipline Audit Report (PEIMS Edits)

This information can be gathered for a report by selecting the **Inc** checkbox in the Action section of Incident Information on Reports > Create Discipline Report.

---

## **Grade Reporting > Maintenance > TeacherPortal Options > Campus**

Corrected an issue in the program when a client accesses the page and is immediately directed to the bottom of the page.

This page should always load to the top of the page whenever it accessed or when an action is Saved.

---

## **Graduation Plan > Maintenance > Student > Individual Maintenance Graduation Plan > Reports > Graduation Plan Reports**

Modified the Personal Graduation Plan from **PGP** and Graduation Plan Report SGP1000 to use the grade level from Grade Reporting > Maintenance > Student > Individual Maint > Prior Yr Transfer if available when the student was not enrolled in the district for at least one day for that school year.

---

## **Grade Reporting > Maintenance > Master Schedule > Campus Schedule**

Modified the program to add the ADSY checkbox on the **Section** and **Copy Course Section** tabs which will indicate the ADSY option for the selected instructor.

Additionally, the following validations for the ADSY Indicator were added:

---

- 
- When ADSY is checked and the **Role ID** is 047 or 087, the user can save changes.
  - When selecting a **Role ID** other than 047 and 087, the user will not be able to save changes and will receive an error message.
- 

## **Registration > Maintenance > District Profile > Annual Student Data Rollover**

- Modified the program to rename the sub-menu **Move to Grade Reporting** to **Annual Student Data Rollover**.
- 

## **Registration > Maintenance > District Profile > Annual Student Data Rollover**

- Modified the program with the following:

- Rename **Perform MTGR** to **Perform Rollover**
- Rename the **District Move Options** tab to **District ASDR Options**

- Modified the program with the following:

- Rename the **Campus Move Options** tab to **Campus ASDR Options**
- 

## **Registration > Maintenance > District Profile > Annual Student Data Rollover > Special Program Options**

- Modified the program to rename **Perform MTGR** to **Perform Rollover**.
- 

## **Registration > Maintenance > District Profile > Local Program Codes**

- Modified the program to rename the sub-menu from **Generic Ent/Wd Program Codes** to **Local Program Codes**.
- 

## **Registration > Maintenance > District Profile > Local Program Codes**

- Modified the program with the following when **Print Local Programs by Campus** is selected:

- Rename report from **Campus Generic Entry/Withdraw Next Year Status** to **Campus Local Program Rollover Status**
-

- 
- Rename report column headings from **MTGR Nest Year** to **ASDR Next Year**.
- 

## Registration > Maintenance > Campus Profile > Campus Local Program Codes

- Modified the program to rename the sub-menu from **Campus Generic Ent/Wd Program Codes** to **Campus Local Program Codes**.
- 

## Registration > Maintenance > Student Enrollment

- Modified the **Generic Type** search criteria button in the Student Directory from **Generic Type** to **Local Program**.
  - Modified the program with the following:
    - Renamed the **Generic** tab to **Local Programs**
    - Renamed the **Other Spc Pgms** column to **Local Program**
  - Corrected an issue on **Forms** when viewing details on the Student Health Information Sheet where the **Gender** value does not appear even though it was entered in at registration.
- 

## Registration > Maintenance > State Performance Plan 14

- Corrected an issue in the program where the **SHOW/HIDE** feature was not re-opening and the Alert message was not given when a record was saved.
- 

## Registration > Utilities > Reset Values

- Modified the program with the following:
    - In the **Items to Reset** drop-down, renamed **Generic Program** to **Local Program**
    - Renamed the group box heading from **Adding Generic Program** to **Adding Local Program**
    - Under **From**, renamed **All (No Generic Pgm)** to **All (No Local Pgm)**
    - In the **From** drop-down, renamed **No Generic Program** to **No Local Program**
    - Under **To**, renamed **Generic Program Code** to **Local Program Code**
- 

## Registration > Reports > Registration Reports > SRG1200 Student Status

---

## Changes by Program

Modified the Parameter Description from **Print Generic Records (Y,N)** to **Print Local Programs (Y,N)**

Additionally, when the **Print Local Programs (Y,N)** parameter is set to Y, the following fields on the report have been renamed:

- **Generic Records** to **Local Programs**
  - **Other Spec Pgm** column heading to **Local Program**
- 

## Registration > Reports > Registration Reports > SRG1900 - Local Program Enrollment Count

Modified the program with the following:

- Renamed **SRG1900 - Generic Programs Enrollment Count** to **SRG1900 - Local Program Enrollment Count** on Registration > Reports > Registration Reports > All and Program
  - Renamed the breadcrumb from **SRG1900 Generic Programs Enrollment Count** to **SRG1900 Local Program Enrollment Count**
  - Renamed the parameter from **Generic Special Program Code** to **Local Program Code**
  - Renamed the **Generic Special Program Codes** code lookup window to **Local Program Codes**
- 

## Registration > Reports > Registration Reports > SRG4000 - Charter School Waitlist Roster Report

Corrected the way the program calculates the number of Charter Students Enrolled in SRG4000 - Charter School Waitlist Report. This calculation includes all ADA Eligibility codes.

Modified the program to add the following Parameter Descriptions:

- Grade Level (Blank for All)
  - **Current or Next Year Students (C=Current,N=Next Year)**
- 

## Registration > Reports > Create Registration Reports

Modified the program to rename the Group Box heading from **Generic** to **Local Program**.

---

---

## Scheduling > Maintenance > Master Schedule > Campus > Sections

Modified the program to add an Additional Days School Year **ADSY** program indicator. The ADSY indicator will indicate if the course section and staff associated with that course section will be reported in Extended School Year Submission.

---

## Security Administration > Manage Roles > Create/Edit Role

Modified the program to rename the following **Attendance** role:

- By Generic Program (read-only) *becomes* By Local Program (read-only)
- 

## Security Administration > Manage Roles > Create/Edit Role

Modified the program to rename the roles for Registration > Maintenance > District Profile > Annual Student Data Rollover as follows:

Move to Grade Reporting (read-only)  
- Campus MTGR Options (read-only)  
- District MTGR Options (read-only)

### TO

Annual Student Data Rollover(read-only)  
- Campus ASDR Options (read-only)  
- District ASDR Options (read-only)

---

## Security Administration > Manage Roles > Create/Edit Role

Modified the program to rename the following **Registration** roles:

- Campus Generic Ent/Wd Program Codes (read-only) *becomes* Campus Local Program Codes (read-only)
  - Generic Ent/Wd Program Codes (read-only) *becomes* Local Program Codes (read-only)
  - Generic (read-only) *becomes* Local Programs (read-only)
- 

## Test Scores > Reports > Test Scores

Modified the program to rename the **Generic Program (Blank for None)** parameter to **Local**

---

---

**Program (Blank for None).**

---

## TxEIS

**Release Date:** 6/04/21 **TxEIS Update:** 3.5.0242

### **Attendance > Reports > Attendance Reports > Audit > SAT0900C - Campus/District Summary Report (COVID)**

Modified the program to only display line **U** (Percent Attendance) when All is selected for the **Instructional Method**.

---

### **Discipline > Reports > Discipline**

Modified the program to add Element 1656, Inconsistent Code Of Conduct Ind Cd for SY2020-2021. It was added to the following Discipline Reports:

- SDS0100 - Discipline - Detailed Incident Report
- SDS1300 - Discipline Audit Report (PEIMS Edits)

This information can be gathered for a report by selecting the **Inc** checkbox in the Action section of Incident Information on Reports > Create Discipline Report.

---

### **Graduation Plan > Maintenance > Student > Individual Maintenance Graduation Plan > Reports > Graduation Plan Reports**

Modified the Personal Graduation Plan from **PGP** and Graduation Plan Report SGP1000 to use the grade level from Grade Reporting > Maintenance > Student > Individual Maint > Prior Yr Transfer if available when the student was not enrolled in the district for at least one day for that school year.

---

### **Grade Reporting > Maintenance > Master Schedule > Campus Schedule**

Modified the program to add the ADSY checkbox on the **Section** and **Copy Course Section** tabs

---

---

which will indicate the ADSY option for the selected instructor.

Additionally, the following validations for the ADSY Indicator were added:

- When ADSY is checked and the **Role ID** is 047 or 087, the user can save changes.
  - When selecting a **Role ID** other than 047 and 087, the user will not be able to save changes and will receive an error message.
- 

## Scheduling > Maintenance > Master Schedule > Campus > Sections

Modified the program to add an Additional Days School Year **ADSY** program indicator. The ADSY indicator will indicate if the course section and staff associated with that course section will be reported in Extended School Year Submission.

---

# ASCENDER ParentPortal

**Release Date:** 6/04/21

**ASCENDER Update:** 5.0.0214 **ASCENDER ParentPortal Update:** 5.0.5.4

**TxEIS Update:** 3.5.0242 **TxEIS ParentPortal Update:** 4.3.5.3

## ParentPortal Login > Charter School Application Form

Modified the program with the following:

- Rearranged the **Voluntary Information** section on the Charter School Application Form
  - Updated the field from **Last four (4) digits of Social Security Number** to **Social Security Number (SSN)**
  - Add the following disclaimer: *\*Providing a SSN is voluntary and used to match a student's Unique ID through the Texas Student Data System. If you do not wish to supply the SSN, please supply the SIN. If no SIN exists, one will be generated.*
-

## Grades > Cycle & Semester Grades

Modified the way the program will print grades when using the browser **Print** option or **Ctrl + P**. Grades will print in a spreadsheet pattern as they appear on the application screen rather than in list format.

---

## Form Management > Form Field Management > New Student Enrollment

Corrected an issue in the program where information entered and saved in **Field Instructions** does not display on Form Creator > Edit Form.
