ASCENDER

ASCENDER

Release Date: 6/16/21 **ASCENDER Update**: 5.0.0216

Attendance > Maintenance > Campus > Campus Calendar

❑ Corrected an issue in the program where a Begin Cycle Day is also a Missed School Waiver Day and was being considered a Membership Day.

Attendance > Reports > All

❑ Modified the program to include GRADE-LEVEL-CODE EE on attendance reports. Attendance data for Early Education students with an Average Daily Attendance (ADA) other than 0 are included and can be properly verified.

Registration > Maintenance > District Profile > Annual Student Data Rollover

❑ Updated the program database to enable **Annual Student Data Rollover** (ASDR).

Registration > Reports > Registration Reports > SRG1900 - Local Program Enrollment Count

❑ Modified the program with the following:

- Renamed **SRG1900 - Generic Programs Enrollment Count** to **SRG1900 - Local Program Enrollment Count** on Registration > Reports > Registration Reports > All and Program
- Renamed the breadcrumb from **SRG1900 Generic Programs Enrollment Count** to **SRG1900 Local Program Enrollment Count**
- Renamed the parameter from **Generic Special Program Code** to **Local Program Code**
- Renamed the **Generic Special Program Codes** code lookup window to **Local Program Codes**

Registration > Reports > Registration Reports > SRG5000 - Special Education Language Acquisition (SELA) Roster Report

❏ Modified the program to create the SRG5000 - Special Education Language Acquisition (SELA) Roster Report and add it to the Student Report Group reports within the Registration application. At this time TCC recommends selecting "Y" for Page Break on Grade Level parameter. Enhancements will be made to this report in a 2022 school year software update.
