ASCENDER 6.0210

ASCENDER 6.0210

Release Date: 10/8/21 **ASCENDER Update**: 6.0210

Attendance > Reports > Attendance Reports > Students Report Group

❑ Modified the SAT0400 - Daily Attendance Summary report to correctly calculate the **Total** (**Beginning Membership** + **Total New Or Reentries**) when the student has a status change in registration.

❑ Modified the SAT1800 - Attendance Audit Report to correctly report absences.

Discipline > Maintenance > Referrals

❑ The release that went out Tuesday, October 12, 2021, included a fix for saving an incident on the **Referral Details Form**. When the user selects **Create Incident**, enters the referral information and saves, the information will save.

Please note however that while the *Save* issue is fixed, the referral information (i.e., Location of Incident, Reported By, Administered By) does not transfer to the **Maintenance** tab on Discipline > Maintenance > Student > Maintenance. The user must re-enter the referral information at this time.

Grade Reporting > Reports > Grade Report Reports > Report Cards

❑ Modified SGR1160 - Interim Progress Report to speed up retrieval time.
