ASCENDER 6.0425

Release Date: 1/10/22 **ASCENDER Update**: 6.0425

Grade Reporting > Utilities > Historical Grd Avg and Class Ranking

❑ Modified the utility to look for in-district courses on the Prior Yr Transfer tab when populating the **School Year** drop-down so that iTCCs-converted databases can use the utility.

iTCCs-converted districts must have verified the data in the verification environment provided to them for the utility to be enabled for their district.
