

ASCENDER 8.0100

Release Date: 9/9/23 **ASCENDER Update:** 8.0100

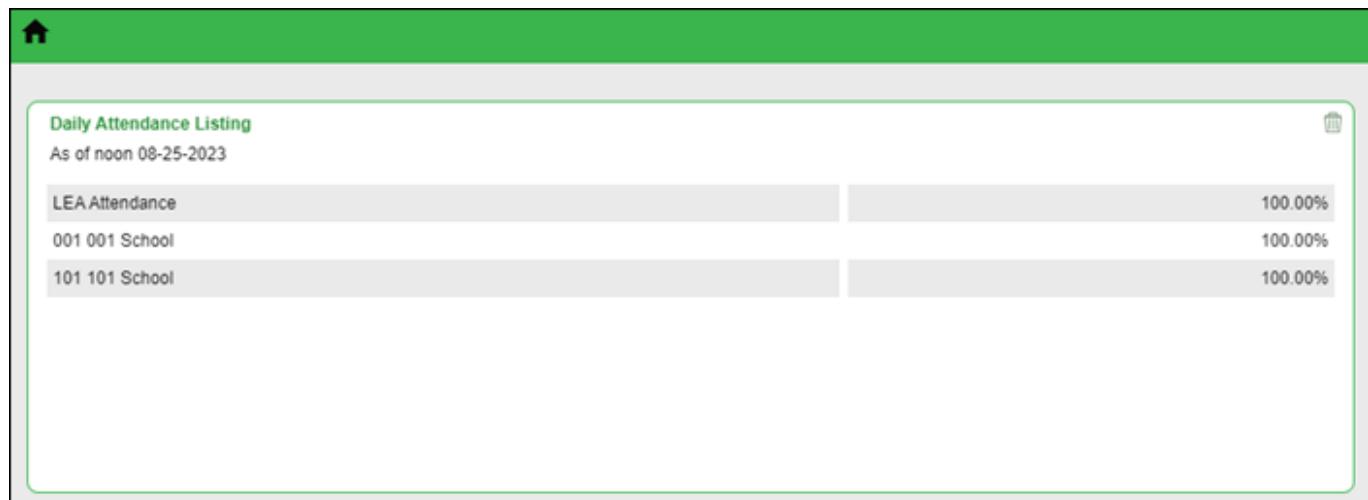

ASCENDER Homepage

- Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage Quick View dashboard. At the top, there are two sections: 'ASCENDER News' and 'Approval Summary'. The 'ASCENDER News' section contains news items like 'Annual Student Data Rollover Survey' and 'Finance August'. The 'Approval Summary' section shows 'No pending approvals'. Below these is the 'LEA News' section, which is highlighted with a black arrow. It contains links for 'First Day' and 'More News Coming', and a message: 'The first day information is here! Here is some more great news!'. There are also small icons for 1x1, 1x2, 1x3, 2x1, 2x2, 2x3, 3x1, 3x2, and 3x3.

- Added the **Daily Attendance Listing** element on the ASCENDER Homepage Quick View dashboard. This feature allows LEA personnel to quickly and conveniently view a listing of authorized campus attendance figures for the day. This listing will be updated each day at noon.

The screenshot shows the ASCENDER Homepage Quick View dashboard. The 'Daily Attendance Listing' section is highlighted with a black arrow. It displays attendance data for two schools: '001 001 School' and '101 101 School', both showing 100.00% attendance. The data is presented in a table format with columns for the school name and percentage.
