

ASCENDER 8.0100

Release Date: 9/1/23 **ASCENDER Update:** 8.0100

ASCENDER Homepage

□ Added the **LEA News** element to the Quick View dashboard. This feature allows LEA personnel to add and manage important news, announcements, or upcoming events, and display them on the ASCENDER Homepage Quick View dashboard. Each news entry includes a start and end date, a summary (topic), and a description. Additionally, if needed, entries can be limited to a specific audience based on their permission to an application and breadcrumb (menu item). This functionality is managed on the new District Administration > Tables > LEA News page.

The screenshot shows the ASCENDER Homepage Quick View dashboard. At the top is a green header with a home icon. Below the header, there are three main sections. The first section is titled 'ASCENDER News' and contains two news items: 'Annual Student Data Rollover Survey' and 'Finance August'. The second section is titled 'Approval Summary' and shows '# Pending' as 0, 'ID/Freq' as 'No pending approvals', and 'Approval Type' as 'No pending approvals'. The third section is titled 'LEA News' and is highlighted with a black arrow. It contains two news items: 'First Day' and 'More News Coming'. The 'LEA News' section also has a pagination control showing '1x1 1x2 1x3 2x1 2x2 2x3 3x1 3x2 3x3' and a trash icon.

□ Added the **Daily Attendance Listing** element on the ASCENDER Homepage Quick View dashboard. This feature allows LEA personnel to quickly and conveniently view a listing of authorized campus attendance figures for the day. This listing will be updated each day at noon.

The screenshot shows the ASCENDER Homepage Quick View dashboard. At the top is a green header with a home icon. Below the header, there is a single main section titled 'Daily Attendance Listing'. It shows 'As of noon 08-25-2023'. Below this, there is a table with two columns: 'LEA Attendance' and 'Attendance'. The table contains three rows: 'LEA Attendance' with a value of '100.00%', '001 001 School' with a value of '100.00%', and '101 101 School' with a value of '100.00%'. The table has a trash icon in the top right corner.
