

# ASCENDER 8.1200

**Release Date:** 8/21/24 **ASCENDER Update:** 8.1200

## **Grade Reporting > Maintenance > Student > Individual Maint > Cumulative Courses > Print AAR**

## **Grade Reporting > Reports > Grade Reporting Reports > All > SGR2047 AAR Multi-Year**

Updated the program to delete data element FHSPDistingLevelGraduate (E1542) and add data element DistingLevelAchievementGraduate (E3089) per new TEA guidelines for sy 2024 and greater.

## **Grade Reporting > Maintenance > Student > Accelerated Instruction**

Modified the way the page extracts some data for Accelerated Instruction.

## **Registration > Maintenance > Prior Year Leaver Tracking > Leaver Tracking**

Corrected the error that caused the PriorYearLeavers API to populate the Student ID field with the wrong value.

## **Registration > Utilities > Reset Values**

Removed *Campus of Account* from the **Items to Reset** drop down.

## **Registration > Utilities > Cafeteria Import**

Modified the utility with the following changes when importing Economic Disadvantage Codes:

- On import, modify the eco dis code as follows:  
Existing record - Update the eco dis code if the begin date is prior to the student's enrollment date
- On import, insert the begin date and eco dis code as follows:

No existing record - Insert the eco dis code and insert begin date using the student's enrollment date.

- On import, if there is an existing record in SR\_STU\_ASSOC\_ECO\_DIS and new the import file has a begin date after the student's enrollment date and has a different eco dis code, create a status change and insert the new eco dis code.
- Do not import if student has multiple SR\_STU\_ASSOC\_ECO\_DIS entries and the begin date in the file is prior to any of them.
- Do not import if student has an end date on SR\_STU\_ASSOC\_ECO\_DIS.

Updated the utility in order to allow updates or inserts to table SR\_STU\_ASSOC\_ECO\_DIS for element econdisadv\_cd.

The updated logic looks at a students entry date on SR\_STU\_ASSOC\_ECO\_DIS and also SR\_STU\_ENROLL.DT\_ENTRY date.

## Registration > Utilities > TEA Census Block

## Registration > Maintenance > Student Enrollment > Demo2

Updated the program to move *State Reporting > Utilities > TEA Census Block* to *Registration > Utilities > TEA Census Block*.

Added the **Census Block** group box to *Registration > Maintenance > Student Enrollment > Demo2*.
