ASCENDER 8.1200

ASCENDER 8.1200

Release Date: 8/21/24 **ASCENDER Update:** 8.1200

Grade Reporting > Maintenance > Student > Individual Maint > Cumulative Courses > Print AAR

Grade Reporting > Reports > Grade Reporting Reports > All > SGR2047 AAR Multi-Year

Updated the program to delete data element FHSPDistingLevelGraduate (E1542) and add data element DistingLevelAchievementGraduate (E3089) per new TEA guidelines for sy 2024 and greater.

Grade Reporting > Maintenance > Student > Accelerated Instruction

Modified the way the page extracts some data for Accelerated Instruction.

Registration > Maintenance > Prior Year Leaver Tracking > Leaver Tracking

Corrected the error that caused the PriorYearLeavers API to populate the Student ID field with the wrong value.

Registration > Utilities > Reset Values

Removed *Campus of Account* from the **Items to Reset** drop down.

Registration > Utilities > Cafeteria Import

Modified the utility with the following changes when importing Economic Disadvantage Codes:

- On import, modify the eco dis code as follows:
Existing record - Update the eco dis code if the begin date is prior to the student's enrollment date
- On import, insert the begin date and eco dis code as follows:

No existing record - Insert the eco dis code and insert begin date using the student's enrollment date.

- On import, if there is an existing record in SR_STU_ASSOC_ECO_DIS and new the import file has a begin date after the student's enrollment date and has a different eco dis code, create a status change and insert the new eco dis code.
- Do not import if student has multiple SR_STU_ASSOC_ECO_DIS entries and the begin date in the file is prior to any of them.
- Do not import if student has an end date on SR_STU_ASSOC_ECO_DIS.

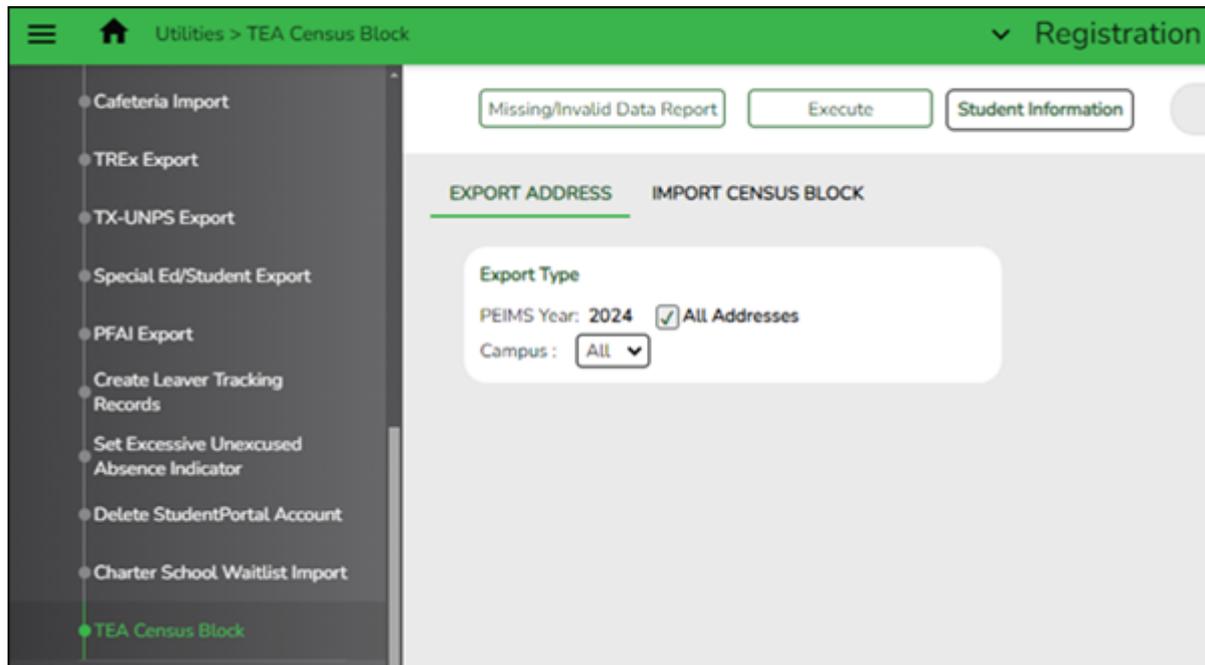

Updated the utility in order to allow updates or inserts to table SR_STU_ASSOC_ECO_DIS for element econdisadv_cd.

The updated logic looks at a students entry date on SR_STU_ASSOC_ECO_DIS and also SR_STU_ENROLL.DT_ENTRY date.

Registration > Utilities > TEA Census Block

Registration > Maintenance > Student Enrollment > Demo2

Updated the program to move *State Reporting > Utilities > TEA Census Block* to *Registration > Utilities > TEA Census Block*.

Added the **Census Block** group box to *Registration > Maintenance > Student Enrollment > Demo2*.
