ASCENDER 9.0815

ASCENDER 9.0815

Release Date: 4/25/25 **ASCENDER Update:** 9.0815

Attendance > Maintenance > Campus > Campus Calendar

Corrected the issue that caused the Calendar Event code to incorrectly populate, signifying a Waiver Day when Waiver Day 01 is selected for the full day.

Attendance > Maintenance > Rural Pathways (R-PEP)

The screenshot shows the ASCENDER web application interface. The breadcrumb navigation at the top reads "Maintenance > Rural Pathways (R-PEP)". The main content area includes a "Save" button, a "Track" dropdown menu set to "00", a "Reporting Period" dropdown menu set to "1", and a "Retrieve" button. Below these controls is a table with the following columns: "Student ID", "Student Name", "Grd Lvl", and "Number of Hours". The table currently displays "NO ROWS". On the left side, there is a sidebar menu under the heading "Maintenance" with several options: "District", "Campus", "Student", "Letters", "Gradebook Options", "Flexible Attendance", "Addtnl Days Program", and "Rural Pathways (R-PEP)". A black arrow points to the "Rural Pathways (R-PEP)" option in the sidebar.

Created a page to collect R-PEP information so districts can enter **NumberOfHoursInRPEP** by reporting period.

Data Element: NumberOfHoursInRPEP (E3090) captures the number of hours during a particular reporting period a student participates in the Rural Pathway Excellence Partnership (R-PEP) program.

Attendance > Maintenance > Rural Pathways (R-PEP)

Updated the extract to collect data for Rural Pathways (R-PEP).
