# ASCENDER 9.0815

**Release Date:** 4/25/25 **ASCENDER Update:** 9.0815

## Attendance Extracts

- Modified the CTE Attendance extract to decrease runtime and to reduce the possibility of tables locking.
- Modified the Special Education Attendance extract to decrease runtime and to reduce the possibility of tables locking.

## Attendance > Maintenance > Campus > Campus Calendar

- Corrected the issue that caused the Calendar Event code to incorrectly populate, signifying a Waiver Day when Waiver Day 01 is selected for the full day.

## Attendance > Maintenance > Rural Pathways (R-PEP)

The screenshot shows the ASCENDER software interface for the 'Rural Pathways (R-PEP)' page. The page has a green header with the breadcrumb 'Maintenance > Rural Pathways (R-PEP)' and a 'Save' button. Below the header, there are dropdown menus for 'Track' (set to 00) and 'Reporting Period' (set to 1), and a 'Retrieve' button. A table with columns 'Student ID', 'Student Name', 'Grd Lvl', and 'Number of Hours' is displayed, showing 'NO ROWS'. A sidebar on the left contains a navigation menu with 'Rural Pathways (R-PEP)' highlighted and an arrow pointing to it.

- Created a page to collect R-PEP information so districts can enter **NumberOfHoursInRPEP** by

reporting period.

Data Element: NumberOfHoursInRPEP (E3090) captures the number of hours during a particular reporting period a student participates in the Rural Pathway Excellence Partnership (R-PEP) program.

### **Attendance > Maintenance > Rural Pathways (R-PEP)**

Updated the extract to collect data for Rural Pathways (R-PEP).
