The screenshot shows a software interface for grade reporting. At the top left is a profile icon. To its right is a 'Comments' button with a warning icon. Below this is a checkbox labeled 'Student Accelerated Education Plan' which is checked, with a black arrow pointing to it. The main part of the interface is a table with the following data:

Del	Details	Subject	Participation Code	Assigned Hours	Completed Hours	Difference	Difference Reason
		READING/ENGLISH	02	3.0	2.0	1.0	04

Below the table is an 'Add' button with a plus icon. At the bottom of the form is a data entry section with the following fields:

- Subject: 01 READING/E
- Participation: 02 Student Do
- Assigned Hours: 3.0
- Completed Hours: 2.0
- Difference: 1.0
- Difference Reason: 04 Failure To M

Modified the page to add a checkbox for **Student Accelerated Education Plan** to indicate students who do not meet satisfactory performance on assessments administered for two years in a row.
