ASCENDER 9.1110

ASCENDER 9.1110

Release Date: 7/17/25 ASCENDER Update: 9.1110

Attendance > Maintenance > Campus > Campus Calendar

❑ Updated the program to allow waiver minutes to be 0 for **Calendar Waiver Event** Type 05 (specific to JJAEP campuses) when the Instructional Program Type is 13.
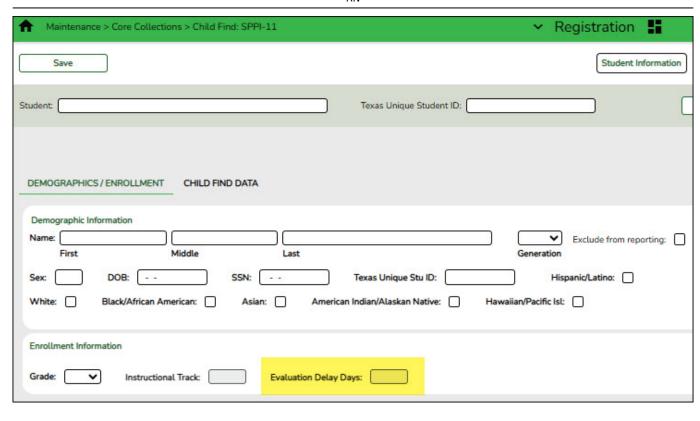

Registration > Maintenance > Student Enrollment

❑ Corrected the issue that prevented LEAs from adding new PK students after running after running the Annual Student Data Rollover (ASDR) process. The following message occurred: "PK Enroll record is required to match enrollment record when grade level is PK. Please add a matching record in the PK Enroll tab for this new student after you save the enroll record."

Registration > Maintenance > Core Collections > Child Find: SPPI-11 > Demographics/Enrollment

❑ Renamed the **Absences Within Timeframe** field to **Evaluation Delay Days**. The updated field (**Evaluation Delay Days**) calculation was changed to consider prior year attendance. For TSDS extract purposes, the following is true:

- If the **Consent to Evaluation Received Date** and **Initial Evaluation Date** fields are blank, then the **Evaluation Delay Days** calculation does not occur.
- If the **Consent to Evaluation Received Date** or **Initial Evaluation Date** fields are blank, then the **Evaluation Delay Days** calculation does not occur.
- If the existing **Consent to Evaluation Received Date** or **Initial Evaluation Date** fields are updated, then the **Evaluation Delay Days** calculation does occur.

Registration > Maintenance > Core Collections > Child Find: SPPI-11 > Child Find Data
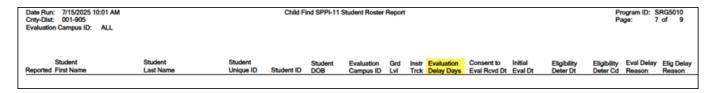

☐ Modified the **Evaluation Campus Id** field to allow nine campus digits instead of just three digits.

Registration > Maintenance > Core Collections > Child Find: SPPI-12 > Child Find Data

☐ Modified the **Evaluation Campus Id** field to allow nine campus digits instead of just three digits.

Registration > Reports > Registration Reports > All > SRG5010 - Child Find SPPI-11 Student Roster Report

☐ Renamed the **Student Nbr Absences** column to **Evaluation Delay Days**.

NOTE: Since the **Evaluation Campus Id** field on the Child Find Data tab was updated to support

nine-digit campus IDs instead of only three, the report logic was modified to retrieve data based on the last three digits when a three-digit campus ID is selected from the **Evaluation Campus ID** report parameter ellipsis.
