## **ASCENDER 9.1200**

Release Date: 8/1/25 ASCENDER Update: 9.1200

## **Grade Reporting > Maintenance > Student > Accelerated Instruction**

☐ Corrected the issue that caused the **Difference** and **Assigned Hours** fields to add extra numerical values after the decimal when the user populates the **Completed Hours** field with a number (1-9) in the tenths place instead of a zero.
