The screenshot displays the 'Course Selection' interface. At the top right is a 'Subject Credit Detail' button. Below the title is a 'Campus Message' section with a dropdown arrow. A row of subject category buttons follows: Language Arts (highlighted in orange), Speech, Mathematics, Science, Social Studies, Economics/Free Enterprise, Health, P.E./Equivalent, and Other Languages. Below this is another row: Fine Arts, Tech Applications, Career/Tech Education, Electives, and Local. Further down, a red arrow points to the navigation area containing 'Previous Subject', 'Next Subject', and 'Submit' buttons. A warning message states: 'Once your requests are submitted, you will not be able to make any changes.' At the bottom, there are two panels: 'Available Courses - Language Arts' and 'Requested Courses'. Each panel has a table with columns: Add, Alt, Number, Course, and Units.

- ❑ Added a confirmation message that is displayed when a student submits course requests.

The screenshot shows a 'Confirmation' dialog box with a close button (X) in the top right corner. The message inside reads: 'If you submit, you will not be able to make further changes. To submit, click the 'Continue' button. To make further changes, click the 'Cancel' button.' At the bottom of the dialog are two buttons: 'Continue' (highlighted in orange) and 'Cancel' (grey).
