## Student Information

This report provides demographic information, contact information, discipline records, at-risk criteria, attendance records, special program enrollment information, schedules and health information (Medical Alert) from the Attendance, Discipline, Grade Reporting, Health, and Registration applications depending on your security rights.

**NOTE:** When the report is run, and the student is not At Risk, the At Risk column will appear on the report, but will show N for every row.

This is the same report as [Registration > Reports > Registration Reports > Student > SRG0400 - Student Information Sheets](#).

From any of these applications, click **Student Information** in the top-right corner to view the report.

If a student was already retrieved, data for the selected student is displayed. Otherwise, the page is blank and you can use the fields at the top of the report page to retrieve a student.
