

overview_reports_parameter_descriptions

Table of Contents

For each row, enter data in the **Value** field as needed. **Parameter Descriptions in bold are required.**

If the parameter has an ellipsis button , you can type data in the **Value** field, or you can click the button to select a value from a lookup or directory.

If the parameter has an calendar icon , you can type a date in the **Value** field, or you can click the icon to select a date from a calendar.
