# Campus Options (Attendance-Gradebook)

## Attendance > Maintenance > Gradebook Options > Campus Options

This page allows you to set campus options that affect attendance posting in txGradebook. The page is disabled for prior school years.

A campus that uses A Day and B Day periods must use the same ADA posting period for all tracks on the Maintenance > Campus > Campus Options page or an error message will display in txGradebook when you try to post attendance.

Field	Description

<b>B Day: Period ADA Attendance Taken</b>	<p>Select the period that TeacherPortal will use to post ADA attendance for B days.</p> <p><b>NOTE:</b> This period must match the period set up for <b>Alternate Days - Code B</b> on <a href="#">Attendance &gt; Maintenance &gt; Campus &gt; Campus Options</a>.</p>
