SAT1000 - Campus Recap Report 1

SAT1000 - Campus Recap Report

Attendance > Reports > Attendance Reports > Membership > SAT1000 - Campus Recap Report

This report provides a count of active and inactive students by grade level for the specified campus and track. It also provides the same breakdown for special education students.

Click **Preview** or **PDF**. The options for the report will be displayed as follows:

Sch.Yr	The report for the current year is displayed be default. You can change the school year to view a different report.
Campus ID	Select the Campus ID to view the report. You can change the campus to view a different report.
Track	Select the Track number to view the report. You can type a different two-digit attendance track.
As of Date	The current (i.e., system) date is displayed by default. Type another date in the MMDDYYYY format if necessary.

Click **Retrieve** to change the data displayed.
