SAT1365 - Class Attendance Roster

Table of Contents

SAT1365 - Class Attendance Roster

Attendance > Reports > Attendance Reports > Rosters > SAT1365 - Class Attendance Roster

This report prints current year class attendance by instructor name or control number. It can be used to collect attendance data for attendance or grade reporting cycles.

A signature and date line is printed for certifying the attendance record.

An asterisk next to the student's name indicates that the student is excluded from attendance reporting (i.e., on the Registration > Student Enrollment > Demo1 tab.
