SAT1800 - Attendance Audit Report

Attendance > Reports > Attendance Reports > Students > SAT1800 - Attendance Audit Report

This report provides the number of withdrawal records and average daily attendance (ADA) absences for the ADA period. An error listing can be printed if errors occur when you run the report. Absences with an asterisk on the error listing are automatically deleted from the attendance records.

To view the correct attendance information by year, run the District Yearly Count utility.
