# SAT1800 - Attendance Audit Report

**Attendance > Reports > Attendance Reports > Students > SAT1800 - Attendance Audit Report**

This report provides the number of withdrawal records and average daily attendance (ADA) absences for the ADA period. An error report is produced if errors occur. Any absences with an asterisk on the error report are automatically deleted from the attendance records.

To view the correct attendance information by year, run the [District Yearly Count](#) utility.
