This report displays current year cumulative ADA enrollment and full-time equivalencies (FTEs) for one campus or all campuses in the district for the selected semester, cycle, or date range. If run for all campuses, a summary is provided for all included tracks.

An audit report is also available to verify the data on the Average Daily Attendance report. A semester, cycle, or date range must be specified.

When SAT0600, SAT900, SAT2100 or SAT2300 are run for the entire year (and added up, if necessary), all numbers from the summaries should be the same (within one-tenth).
