SAT5000 - Flexible Attendance District Summary

Attendance > Reports > Attendance Reports > Audit > SAT5000 - Flexible Attendance District Summary

This report provides a district-level report of current year eligible/ineligible attendance minutes, special program contact hours, and full-time equivalencies (FTEs) by grade level. These totals are reported to PEIMS during Submission 3.

Campuses that have been excluded from district reporting are not included.

Run the report:

Parameter	Description
Ending School Year (YYYY)	Type the four-digit **ending** school year.
