Change Application 1

Change Application

To move from one application to another, click or hover over Change Application (in the top-right corner), and then select the application from the drop-down menu. Only applications to which you have access are listed.

Once you have retrieved a student on a maintenance page, the Change Application drop-down list includes links to specific pages within the application to which you have access, allowing you to easily view data for the student in other applications. Which you click a page link in the drop-down list, the application and page change, but the same student is retrieved on the new page.

The following pages are linked, but only pages you have access to will be listed:

- Attendance > Maintenance > Student > Student Inquiry
- Attendance > Maintenance > Student > Student Posting > By Individual
- Discipline > Maintenance > Student > Inquiry
- Grade Reporting > Maintenance > Student > Individual Maint
- Graduation Plan > Maintenance > Student > Individual Maintenance (current year only)
- Registration > Maintenance > Student Enrollment
- Special Education > Maintenance > Student Sp Ed Data > Current Year
- Test Scores > Maintenance > Individual Maintenance

Select Main Menu to open the Application Directory.
