Action Codes

Discipline > Maintenance > Tables > District Level > Action Codes

This tab allows you to create a list of actions taken by school officials in response to a student discipline offense. When a student discipline record is created or changed, an action code can be included in the record to indicate the steps taken by school officials.

Update data:

Existing action codes are displayed. System codes are displayed in the top grid and cannot be changed or deleted.

In the **User Codes** (bottom) grid, click **+Add** to add a user action code.

Field	Description
Action	Type a valid two-character action code. <ul style="list-style-type: none"> • Codes can begin with any letter after D. • You cannot use a code that is reserved for system codes.
PEIMS	Select the equivalent PEIMS code for the action code, if applicable.
Description	Type the description of the code. A quotation mark (") is not a valid character. You can type up to 60 characters.

Click **OK** to close the window.

Click **Save**.
