Action Codes

Discipline > Maintenance > Tables > District Level > Action Codes

This tab allows you to create a list of actions taken by school officials in response to a student discipline offense. When a student discipline record is created or changed, an action code can be included in the record to indicate the steps taken by school officials.

Update data:

System codes are displayed in the top grid and cannot be changed or deleted.

In the **User Codes** (bottom) grid, click **+Add** to add an action code.

Field	Description
Action	Type a valid two-character action code. • Codes can begin with any letter after D. • You cannot use a code that is reserved for system codes.
PEIMS	Select the equivalent PEIMS code for the action code, if applicable.
Description	Type the description of the code. A quotation mark (“) is not a valid character. You can type up to 60 characters.

Click **OK** to close the window.

Click **Save**.

Other functions and features:

	Edit a record. Update the fields as needed, click **OK**, and then click **Save**. The changes are displayed in the grid. Or, click **Cancel** to close the window without making changes. For the current year, you cannot edit an action code that is used in a student discipline record.
	Delete a row. Click to delete the selected row. The row is shaded red to indicate that it will be deleted when the record is saved. Click **Save**. A message is displayed confirming that you want to delete the row. • Click **OK** to delete the row. • Click **Cancel** not to delete the row. For the current year, you cannot delete an action code that is used in a student discipline record.

Print	Print system and user action codes. **Review the report using the following buttons**: Click First to go to the first page of the report. Click ◀ to go back one page. Click ▶ to go forward one page. Click Last to go to the last page of the report. **The report can be viewed and saved in various file formats**. Click  to save and print the report in PDF format. Click  to save and print the report in CSV format. (This option is not available for all reports.) When a report is exported to the CSV format, the report headers may not be included. Click  to close the report window. Some reports may have a **Close Report**, **Exit**, or **Cancel** button instead.
