Location Codes 1

Location Codes

Discipline > Maintenance > Tables > District Level > Location Codes

This tab allows you to create a customized list of locations where discipline offenses may occur, and associate each location with a PEIMS location code.

[screen shot](#)

Update data:

Click **+Add** to add a level. A pop-up window opens.

[screen shot](#)

Field	Description
Location	Type a code for the location, up to three characters.
Description	Type the description of the code. A quotation mark (") is not a valid character. You can type up to 25 characters.

Click **OK** to close the window.

PEIMS Behavior Location Code	Select the corresponding PEIMS location code. The field is required for each location code. It provides a crosswalk for the Behavior Location Code in the PEIMS record for the Location of Incident field on Discipline > Maintenance > Student > Maintenance .
-------------------------------------	---

Click **Save**.

Other functions and features:

	<p>Edit a record.</p> <p>Update the fields as needed, click OK, and then click Save. The changes are displayed in the grid. Or, click Cancel to close the window without making changes.</p> <p>For the current year, you cannot edit a location that is used in a student discipline record.</p>
	<p>Delete a row.</p> <ol style="list-style-type: none"> 1. Click  to delete a row. The row is shaded red to indicate that it will be deleted when the record is saved. You can select multiple rows to be deleted at the same time. 2. Click Save. You are prompted to confirm that you want to delete the row. Click Yes to continue. Otherwise, click No. <p>You can save edits and delete records in the same step (i.e., the changes are all committed when the record is saved).</p> <p>For the current year, you cannot delete a location that is used in a student discipline record.</p>

Print [Print location codes.](#)
