## *Discipline > Maintenance > Tables > District Level > Offense Level*

This tab allows you to create a customized list of offense levels that indicate the extent of the discipline actions taken for an offense action, such as I, II, III or instructor, administrator, and central office intervention.

### Update data:

Click **+Add** to add a level.

Field	Description
<b>Code</b>	Type a one-digit code to indicate the severity level of the offense. You cannot use a special character.
<b>Description</b>	Type the description of the code. A quotation mark (") is not a valid character. You can type up to 60 characters.

Click **OK** to close the window.

Click **Save**.

### Other functions and features:
