SDS2000 - Individual Student Discipline Report

Discipline > Reports > Discipline > SDS2000-Individual Student Discipline Report

This report generates a report of historical discipline records by student.

Run the report:

Parameter	Description
From School Year (YYYY)	Type the beginning year for the range of school years.
To School Year (YYYY)	Type the ending year for the range of school years.
Campus ID (Blank for All)	Type the three-digit campus ID, or click ⋮ to select the campus. Leave blank to select all campuses in the district. **NOTE:** If you select to create the report for all campuses, any campuses excluded from district reporting (i.e., campuses that have the **Exclude from District Reporting** field selected on Registration > Maintenance > Campus Profile > Campus Information Maintenance > Control Info) are not included in the report. However, you can generate the report for an individual excluded campus by entering the campus ID.
Student IDs	Type the six-digit student ID number, including all leading zeros. Separate multiple IDs with a comma (e.g., 098321,096476). Or, click ⋮ to select the students.
Include Reporter (Y/N)	Y - Include the name of the person reporting the offense on the report. N - Do not include the name of the person reporting the offense on the report.
