

adsy_state_reporting_set_up

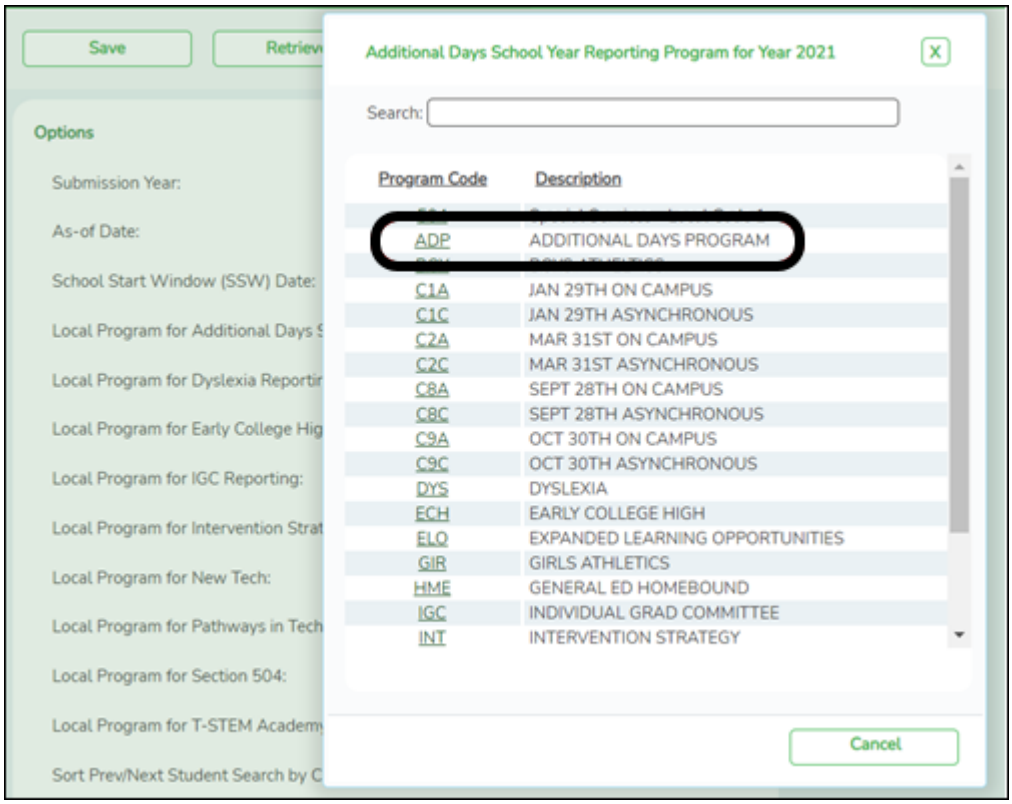

Table of Contents

Indicate which local program code will be used to identify students participating in the Additional Days School Year Program.

State Reporting > Options

❑ Enter ADP in the blank field or select a program code from the **Additional Days School Year Reporting Program for Year 2021** drop-down menu.

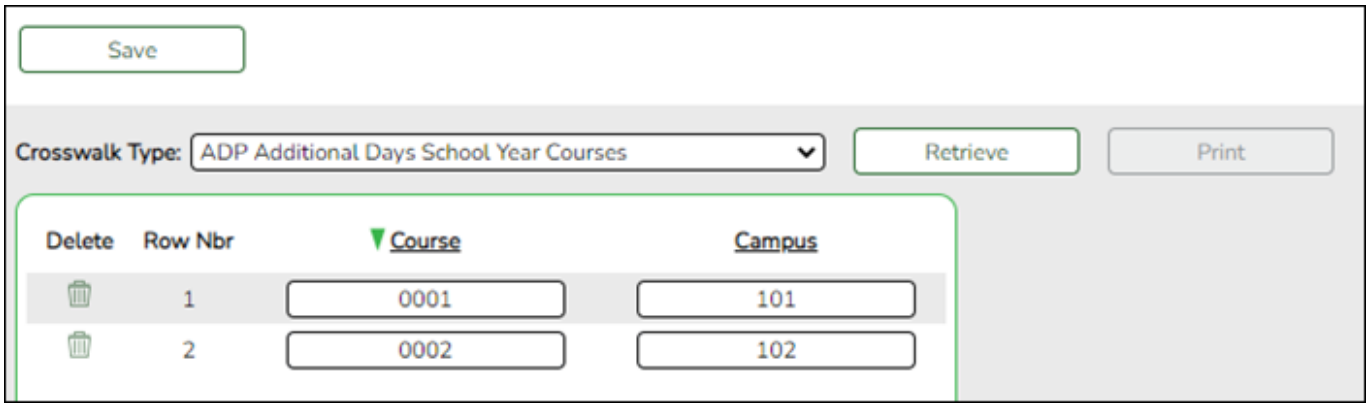

❑ Click **Save**.

State Reporting > Crosswalks

This process will crosswalk the Campus ID for the Staff Responsibility record.

NOTE: **This applies when the Additional Days School Year (ADSY) Program is held at a campus other than the enrolled campus.**

❑ Select *ADP Additional Days School Year Courses* from the **Crosswalk Type** drop-down menu.

❑ Enter the campus-specific, 4-digit Course number and the 3-digit Campus number.

❑ Click **Save**.

NOTE: The 4-digit Course number should be specific to each campus. Individual Course numbers will need to be created on Grade Reporting > Maintenance > Master Schedule > Campus Schedule > Section and then crosswalked.

The Campus ID indicated in the crosswalk will generate as the Campus ID for the Staff Responsibility Record.

See the PEIMS TSDS Extended 2021 Submission training guide for information on how to report Additional Days School Year for the Extended School Year Submission.
