

## **attendance\_copy\_calendar\_info\_track\_description**

# Table of Contents

The description of the selected track is displayed if it has been entered for the track on [Maintenance > Campus > Campus Options](#).

Type a description of the track, up to 50 characters. This description will appear in the **Track** field drop-down list on most Attendance > Maintenance > Campus pages (current and next year).

This functionality is available starting with the 2018-2019 school year.
