# Student Directory

The Directory is used to search for a student and retrieve the student's record to the page from which you accessed the directory.

## Search for a student:

Enter data in one or more of the following fields. Not all fields are displayed in all applications.

Field	Description
<b>Last Name</b>	Type all or part of the student's last name to retrieve students whose last name <i>begins with</i> the letters you have typed.
<b>First Name</b>	Type all or part of the student's first name to retrieve students whose first name <i>begins with</i> the letters you have typed.
<b>Campus</b>	Type the three-digit campus ID to select students at a particular campus. Leave blank to select from students at all campuses.
<b>Texas Unique Stu ID</b>	Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed.  If the student does not have a Unique ID, click <a href="#">TSDS Unique ID</a> button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used. Review the <a href="#">Assign a TSDS Unique ID</a> guide for additional information.
<b>Sex</b>	Type M or F to limit the search results to male or female students only.
<b>Grade</b>	Type or <a href="#">select the grade level</a> to retrieve students in a specific grade level.
<b>Active Cd</b>	Select students with a specific status (i.e., <i>Active</i> or <i>Inactive</i> ). Select <i>All</i> to retrieve active and inactive students.

**NOTE:** Some applications allow you to filter students by certain criteria:

- **Attendance, Discipline, Grade Reporting, Health, and Registration** - You can select one or more special or generic programs to retrieve only students who participate in the selected program(s).
- **Registration** - On the Maintenance > Student Maintenance tabs, the **Next Year Students** field allows the option to retrieve students with record status 5 (i.e., *not currently enrolled in this district, will attend next year*) in the search results. When you select a record-status-code 5 student to be retrieved, a warning message is displayed to inform you that the student is not enrolled in the current year.
- **Test Scores** - You can select one or more specific tests to retrieve only students who have a record for the selected test(s).

Click **Search**. The students who meet the criteria entered are displayed.

- If more students are retrieved than can be displayed on one page, you can [page through the list](#).

- In most applications, the **Total Students** field in the bottom-right corner of the directory displays the total number of students retrieved.

Click the student ID for the student you want to retrieve. The directory closes, and the student's information is displayed on the page from which you accessed the directory.

Click **Cancel** or **Close** to return to the previous page without selecting a student.
