<table>
<tr><td>Industry Credentials or Certification</td><td>Indicate a credential or certification earned by the student and the date the student completed it.

TWEDS Data Element: POST-SECONDARY-CERTIFICATION-LICENSURE-CODE (E1640) (Code table: 214)

The list is maintained in the Origin field on Maintenance > District Tables > Credentials or Certification.

• If the credential or certification is internationally or nationally recognized and Origin on Maintenance > District > Tables > Credentials or Certification is International or National, the credential or certification will display the district-defined code, selected PEIMS code, and then I (for International) or N (for National) in parentheses followed by the district-defined description. The international or national credential or certifications will be displayed on the Performance Acknowledgement tab.

• If Origin is blank on Maintenance > District > Tables > Credentials or Certification, the credential or certification will display the district-defined code followed by the district-defined description. The credential or certifications with no PEIMS code will not be displayed on the Performance Acknowledgement tab.

This information is used on Maintenance > Student > Individual Maintenance > PGP and prints on the Student Personal Graduation Plan (SGP1000) and AAR Multi-Year (SGR2047) reports.
