health_forms_detail_view_dynamic_new_student_enrollment

Table of Contents

Click 🔎 to view details of the requested change(s). A dynamic form is displayed as a table of fields and values. Only fields that have new or updated values are listed.

Request Type	**New Record** is displayed if no data currently exists. **Update** is displayed if the parent requested to change the existing data. **Delete** is displayed if the parent requested to remove the existing data.
Field	The field indicates which data is being updated.
New Value	The new value entered by the parent in ASCENDER ParentPortal is displayed.
Status	**Accepted** is displayed (in green) if the campus administrator accepted the change. **Rejected** is displayed (in red) if the campus administrator rejected the change. **Pending** is displayed (in blue) if a campus administrator has not yet accepted or rejected the change.
❑ Click **Print** to print the form. ❑ Click **OK** to close the form.
