Table of Contents

Letter Template	The letter types for the selected letter category (immunizations, referrals, or screening, as set up on Letters > Create Letter) are listed. Select the letter type.
Address to Print	Indicate if the student's or contact's address should be printed on the letters. *Contact* address is from Registration > Maintenance > Student Enrollment > Contact (top priority contact, which is the contact with the lowest priority number (e.g., 1)). *Student* mailing address is from Registration > Maintenance > Student Enrollment > Demo1.
Letter Sort Order	Select the order in which to print letters. *Contact Zip Code* - Contact's zip code, zip + 4, student's last name, student's first name, student's middle initial, grade level, and student ID *Student Zip Code* - Student's mailing zip code, mailing zip +4, student's last name, student's first name, student's middle initial, grade level, and student ID *Student Name* - Student's last name, first name, middle initial, grade level, and student ID
As of Date	Type the date in the MMDDYYYY format. Or, click to select the date from the calendar. The date is used to determine what is due for the student.
Campus	Select the campus. Leave blank to select all campuses.
Status	Select active or withdrawn students. Leave blank to print letters for all students.
Grade	Select a grade level. Leave blank to print letters for all grade levels.
Student ID	Type a student ID to print the report for one student. Leave blank to select all students. If you do not know the ID, click **Student ID** to access the directory.
Use Next Year Grade Level	Select to generate immunization letters using the next school year grade level and immunization criteria. If a students is in PK and will still be four years old on September 1 of the next school year, the grade level will not be incremented to KG; therefore, KG rules will not apply to the student (DTP, polio, MMR, varicella, and Hep A).
