Update data:

Select a student

To retrieve a student's records, select the student in one of the following ways:

Student	<p>Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.</p> <p>The student can also be located by typing the name in one of the following formats:</p> <ul style="list-style-type: none"> • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
Texas Unique Student ID	<p>Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed.</p> <p>If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.</p> <p>Review the Assign a TSDS Unique ID guide for additional information.</p>
Directory	<p>Click to select a student from the Directory.</p>
(photo)	<p>If a photo exists for the student, the student photo is displayed.</p> <p>From Registration > Maintenance > Student Enrollment, you can change the student photo:</p> <ol style="list-style-type: none"> 1. Hover over the image, and click Change. The Change Student Photo window opens. 2. Click Choose File. Locate and open the file for the new image. 3. Click Save. The window closes, and the new image is displayed. <p>Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.</p>

The student's existing vision screening records are displayed.

[The list can be re-sorted.](#)

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

Click **+Add** to add a vision screening record.

The fields below the grid are enabled.

Screening Date	Type the date on which the screening test was administered in the MMDDYYYY format. Or, click  to select the date from the calendar.	
Results	Pass/Fail	Select the overall result of the vision test. For a religious exemption, select <i>Exempt</i> .
	Color Blind	Select the result of the color blind test.
	Glasses	Select if the student was wearing glasses when tested. For Both , Right , and Left , type the three-digit test results for both eyes, the right eye, and the left eye.
Screener	Type the screener's first name (up to 9 characters), middle initial, and last name (up to 14 characters).	
Exam	Type	Select the type of vision test administered. For a religious exemption, select <i>Other</i> .
	Status	Select the status of the follow-up exam if applicable. For a religious exemption, select <i>Not Examined</i> .
	Referral Date	Type the date on which the student was referred to a specialist in the MMDDYYYY format. Or, click  to select the date from the calendar. This field is also updated when you generate a referral letter from Letters > Run Letter > Print Letters and click Update Referrals .
	Follow-up Date	Type the date of the follow-up exam in the MMDDYYYY format. Or, click  to select the date from a calendar.
Specialist	If the student visited a specialist after the screening, type the specialist's first name (up to 9 characters), middle initial, and last name (up to 14 characters).	
Exemption Information	Type	Select the type of exemption if applicable.
	Date	Type a valid affidavit date in the MMDDYYYY format. Or, click  to select the date from a calendar.

To edit an existing record, click the record in the grid.

The fields below the grid are enabled allowing you to make changes.

Click **Save**.

Delete	To delete a vision screening record, click a record in the grid to select it, and then click Delete . You are prompted to confirm that you want to delete the record. Click OK .
Comments	Click to add comments for the record. The window opens; existing comments are displayed. Add or edit comments and click OK . If comments exist for the record, a paperclip icon is displayed on the button. The first 1000 characters of these comments will print on the Medical Profile Report - SHS0810 .

Print Comments	<p>Print the Comments - Vision report.</p> <p>Review the report using the following buttons:</p> <p>Click  to go to the first page of the report. Click  to go back one page. Click  to go forward one page. Click  to go to the last page of the report.</p> <p>The report can be viewed and saved in various file formats.</p> <p>Click  to save and print the report in PDF format. Click  to save and print the report in CSV format. (This option is not available for all reports.) When a report is exported to the CSV format, the report headers may not be included. Click  to close the report window. Some reports may have a Close Report, Exit, or Cancel button instead.</p>
 Medical Alert	<p>View medical alert.</p> <p>The button is displayed if a medical warning exists for the student and Consent to Display Alert is selected on Health > Maintenance > Student Health > Emergency.</p> <p>Click to view the student's medical alert information.</p>
Documents	View or attach supporting documentation.

Health > Maintenance > Student Health > Screening - Spinal

This tab allows you to maintain data about a student's spinal screenings.

This tab is not enabled until you retrieve a student.

The screenshot shows a web-based form for a student's screening record. At the top, there are fields for 'STUDENT ID' (003942) and 'TEXAS UNIQUE STU ID' (3577856647). Below this, a 'Documents' button and student details (Grade: 12, DOB: 03-02-2004, Gender: Male, SSN: ***-**-3641, Medicaid Eligible: No) are visible. A navigation bar includes tabs for 'DEMO', 'IMMUNIZATION', 'SCREENING', 'EMERGENCY', 'MEDICAL CONDITION', 'COMMUNICABLE DISEASE', 'ACCIDENT', 'CONTACTS', and 'FORMS'. The 'SCREENING' tab is active, showing a table with columns: 'Screening Date', 'Prior Treatment', 'Rescreen', 'Degrees', 'Signs/Symptoms', and 'Treatment'. The table currently contains 'no rows'. Below the table are input fields for 'Screening Date', 'Screening Method', and a 'Delete' button. Further down, there are sections for 'Results' (Signs/Symptoms, Degrees, Treatment), 'Exam' (Prior Treatment, Rescreen, Referral Date, Follow-up Date), 'Exemption Information' (Type, Date), 'Screeener' (First, Mi., Last), and 'Specialist' (First, Mi., Last). Action buttons for 'Findings', 'Comments', and 'Print Comments' are located at the bottom right.

Documents	View or attach supporting documentation .

Health > Maintenance > Student Health > Screening - Acanthosis

This tab allows you to maintain data about a student's acanthosis screenings. Acanthosis nigricans is a condition that may serve as an indicator for risk of type 2 diabetes. Acanthosis screenings can help identify students who have high insulin levels and who may be at risk of developing the disease. It can easily be evaluated by means of a visual examination.

This tab is not enabled until you retrieve a student.

NOTE: If you used Mass Screening - Acanthosis to update a student with a positive AN Marker, the **Height, Weight, and Blood Pressure (1st and 2nd)** fields must be updated on this page.

Update data:

Documents	View or attach supporting documentation .

This tab allows you to maintain data about physical examinations of the student.

This tab is not enabled until you retrieve a student.

Update data:

Select a student

To retrieve a student's records, select the student in one of the following ways:

<p>Student</p>	<p>Begin typing the student ID (with leading zeros) or last name. As you begin typing, a drop-down list displays students whose ID or last name <i>begins with</i> the numbers or characters you have typed. The drop-down list displays the students' full name and grade level. From the drop-down list you can select the student.</p> <p>The student can also be located by typing the name in one of the following formats:</p> <ul style="list-style-type: none"> • Last name, comma, first name (smith, john) • Last name initial, comma, first name initial (s,j) • Comma, first name (,j)
<p>Texas Unique Stu ID</p>	<p>Type all or part of the student's Texas Unique Student ID to retrieve students whose ID <i>begins with</i> the characters you typed.</p> <p>If the student does not have a Unique ID, click TSDS Unique ID button to connect to the TSDS Unique ID Web Service and obtain an ID. Your LEA must have the appropriate credentials through Texas Education Agency Login (TEAL) before this functionality can be used.</p> <p>Review the Assign a TSDS Unique ID guide for additional information.</p>

Directory	Click to select a student from the Directory .
(photo)	<p>If a photo exists for the student, the student photo is displayed.</p> <p>From Registration > Maintenance > Student Enrollment, you can change the student photo:</p> <ol style="list-style-type: none"> 1. Hover over the image, and click Change. The Change Student Photo window opens. 2. Click Choose File. Locate and open the file for the new image. 3. Click Save. The window closes, and the new image is displayed. <p>Photos are not displayed in all applications. They are displayed in Attendance (Inquiry), Discipline, Grade Reporting, Graduation Plan, Health, Registration, and Scheduling. They are not displayed in Special Ed or Test Scores.</p>

The student's existing physical exam screening records are displayed.

[The list can be re-sorted.](#)

You can re-sort the grid by clicking on an underlined column heading. It will sort in ascending order. Click it again to sort in descending order.

A triangle next to the column heading indicates the column by which the grid is currently sorted and whether it is sorted in ascending  or descending  order.

Click **+Add** to add a physical exam screening record.

The fields below the grid are enabled.

Screening Date	Type the date on which the screening test was administered in the MMDDYYYY format. Or, click  to select the date from the calendar.	
Exam Information	Height	Type the student's height in inches in the ##.## format.
	Weight	Type the student's weight in pounds in the ###.# format.
	Follow-up	(Required) Select whether a follow-up visit is needed.
	Lice	Select the result of the lice check.
	Dental Caries	Select the result of the dental check.
Blood Pressure	Type the systolic and diastolic readings for the blood pressure check.	

To edit an existing record, click the record in the grid.

The fields below the grid are enabled allowing you to make changes.

Click **Save**.

Delete	To delete a physical exam record, click a record in the grid to select it, and then click Delete . You are prompted to confirm that you want to delete the record. Click OK .
	<p>View medical alert.</p> <p>The button is displayed if a medical warning exists for the student and Consent to Display Alert is selected on Health > Maintenance > Student Health > Emergency.</p> <p>Click to view the student's medical alert information.</p>
Documents	View or attach supporting documentation.

Health > Maintenance > Student Health > Screening > Consolidated

This tab allows you to maintain data about a student's vision, hearing, spinal, acanthosis, and physical exam screenings on one page.

This tab is not enabled until you retrieve a student.
